1. Visit Weebly.com, it should look like the page to the left, then click the log in button in the top right corner
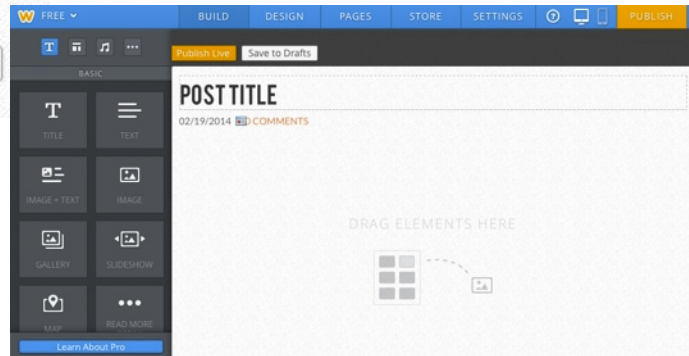

2. When you log-in the username is my e-mail address which appears in the screen shot and the password is: carson

reynoldske@rss.k12.nc.us

3. The webpage should now look like this, click the edit button.

New Post | Comments | Blog Settings

4. Select New Post from the bar across the top of the page.

POST TITLE
02/19/2014 COMMENTS

DRAG ELEMENTS HERE

5. Notice the side bar to the left. These are your options for the blog. You simply choose the format you want and drag it into place on the right hand side. If you change you mind click the box in the post and hit delete. Any option on the sidebar works other than those with stars.

Publish Live | Save to Drafts | All changes saved

6. Once you hit the publish live button, others will be able to see and comment on your post. No changes can be made to the post once it is published.

7. Visit the website and check out your finished product! :) If you have any questions or encounter issues use my e-mail!
