

Here's a little Lincoln
Which I will give to you
Now read on to find out
What we're asking you to do.

A Lincoln for a Lincoln
Is the exchange we'd like to make.
The benefit of this
Is the money that we'll make.

You see there is this trip that's planned
A really wonderful trek.
We'll see the sights
And have some fun
And maybe learn a speck.

The only thing that's difficult
Is coming up with the funds.
That's where you come in to help me
By exchanging one for one.

The penny that's attached here
Is shiny and small but still
It is this picture of Lincoln
I would like to trade for a bill.

Yes Lincoln's picture is on the five
As you can plainly see,
Now all that's left for you to do
Is donate a bill to me!
